2. The Judge Advocate General's School, U.S. Army (TJAGSA) Materials Available through the Defense Technical Information Center (DTIC)

Each year, TJAGSA publishes deskbooks and materials to support resident course instruction. Much of this material is useful to judge advocates and government civilian attorneys who are unable to attend courses in their practice areas, and TJAGSA receives many requests each year for these materials. Because the distribution of these materials is not in its mission, TJAGSA does not have the resources to provide these publications.

To provide another avenue of availability, some of this material is available through the Defense Technical Information Center (DTIC). An office may obtain this material through the installation library. Most libraries are DTIC users and would be happy to identify and order requested material. If the library is not registered with the DTIC, the requesting person's office/organization may register for the DTIC's services.

If only unclassified information is required, simply call the DTIC Registration Branch and register over the phone at (703) 767-8273, DSN 427-8273. If access to classified information is needed, then a registration form must be obtained, completed, and sent to the Defense Technical Information Center, 8725 John J. Kingman Road, Suite 0944, Fort Belvoir, Virginia 22060-6218; telephone (commercial) (703) 767-8273, (DSN) 427-8273, toll-free 1-800-225-DTIC, menu selection 2, option 1; fax (commercial) (703) 767-8228; fax (DSN) 426-8228; or e-mail to reghelp@dtic.mil.

If there is a recurring need for information on a particular subject, the requesting person may want to subscribe to the Cur-

rent Awareness Bibliography (CAB) Service. The CAB is a profile-based product, which will alert the requestor, on a biweekly basis, to the documents that have been entered into the Technical Reports Database which meet his profile parameters. This bibliography is available electronically via e-mail at no cost or in hard copy at an annual cost of \$25 per profile. Contact DTIC at www.dtic.mil/dtic/current.html.

Prices for the reports fall into one of the following four categories, depending on the number of pages: \$7, \$12, \$42, and \$122. The DTIC also supplies reports in electronic formats. Prices may be subject to change at any time. Lawyers, however, who need specific documents for a case may obtain them at no cost.

For the products and services requested, one may pay either by establishing a DTIC deposit account with the National Technical Information Service (NTIS) or by using a VISA, MasterCard, or American Express credit card. Information on establishing an NTIS credit card will be included in the user packet.

There is also a DTIC Home Page at <http://www.dtic.mil> to browse through the listing of citations to unclassified/unlimited documents that have been entered into the Technical Reports Database within the last twenty-five years to get a better idea of the type of information that is available. The complete collection includes limited and classified documents as well, but those are not available on the web.

Those who wish to receive more information about the DTIC or have any questions should call the Product and Services Branch at (703) 767-8267, (DSN) 427-8267, or toll-free 1-800-225-DTIC, menu selection 6, option 1; or send an e-mail to bcorders@dtic.mil.
